

# Andrew Junior Afande

0740206161    afandeandrewj@gmail.com    afande.vercel.app

**Career Objective**  
Creative Front-End Web Developer focused on building sleek, responsive user interfaces and interactive web experiences. I write clean, accessible code and prototype UI quickly to solve real user problems.

**Education**  
Modcom Institute of Technology - Westlands  
Certificate in Web Development (Front-End Focus)  
January 2025 - May 2025 (4.5 months)

**Projects**  
**Personal Portfolio Website** - afande.vercel.app (responsive portfolio showcasing projects)  
**Landing Pages** - Interactive, performance-minded landing pages.  
**UI Prototypes** - Animations, micro-interactions, and accessibility-focused design.

**Skills**

Languages	HTML5, CSS3, JavaScript (ES6+)
Styling	Responsive Design, Flexbox, Grid, CSS Animations, Tailwind CSS, Bootstrap
Tools	Git, GitHub, Vercel, VS Code, Chrome DevTools
Good to know	Performance optimization, Accessibility (ally), Cross-browser testing

**Interests**  
UI/UX experiments, CSS art, performance tuning, open-source contributions.
